Breakwater Timber Boardwalk

*Invest in your community
Commemorate your milestone moment*

The revitalization project will extend a continuous pathway from Viking Park to 1st Avenue and Centre Street eastward toward the pier. Improvements along the public pathways include enhanced lighting, pedestrian crossings, wayfinding signage, sidewalks, trees and other features designed to create safer and more attractive community spaces.

The Breakwater Timber Boardwalk will run alongside the historic breakwater beside Betel Home to First Avenue and will be constructed with beautiful timber boards.

Forge your name and message on a plaque on the Boardwalk and provide permanent recognition of a milestone in the life of a loved one. Tribute gifts, anniversaries, graduations... share your history with us!

Donations will also be invested to help Islendingadagurinn continue to provide low or no cost events for generations to come.
