

## Cenotaph

This monument was a 1967 centennial project of the Royal Canadian Legion, Gimli Branch. This stone and brick cenotaph is dedicated to the fallen in the First World War, Second World War and Korean War. It was designed and built by local artisan, the late Leonard Ciszewski.

Your contribution will revitalize the paving around the Cenotaph and extend it in the front to create space to prominently display the relocated flags. There will be a large planting bed behind the Cenotaph and around the existing tree which will enhance moments of reflection.
